Catholic Social Teaching Corner:

-The Gospel this Sunday seems to contradict everything Catholic teaching offers about just wages and fairness. However the point of the Gospel is not just wages, it is God's generosity toward all of us, even those of us who get serious about accepting the invitation to "working in the vineyard" later in our lives. God's generosity is an inspiration for us to practice both justice and charity. Justice means that we give to every person what is due to them as a child of God. Charity goes beyond justice by loving others and giving beyond

what justice requires because of that love. We are loved much and therefore should love greatly in turn. Who needs love this week from me?
