Catholic Social Teaching Corner:

-The readings today challenge us to ask important questions about ourselves: What kind of tenants are we? Do we claim the vineyard of our lives for our own and turn God out or do we recognize that everything we have comes as gifts from God and is to be given back in praise? As we reflect on the gift of life and dignity given to each of us, how are we called to show greater respect for life: for the unborn; those on death row; the immigrants coming to our country with or without legal permission; enemies who kill others without regard? Where do we need to grow in love for the life and dignity of others?
