Catholic Social Teaching Corner:

-What is the fruit that we bear? As part of the vine of Christ, grafted onto him and filled with his life, we are given the grace to bear the abundant and lasting fruit of justice, charity, faith and hope. This fruit is manifested in both word and action – as the letter of John reminds us – so that when others see us, they see God working in and through us to bring unity, love and peace to the world. As members of the vine of Christ will be bring forth the fruit of Christ's life or will the world only see a withered cut branch?
