**Catholic Social Teaching Corner:**

-The mystery of the Trinity invites us to understand that God though one, is relational in being. God is love and love creates relationship. By baptism, we are brought into relationship with God and each other so that we can embody God's dynamic love to the whole world. How are we being called to bring God's healing love to our corner of the world this week?

Heavy construction on our parking lot has begun! There will be limited parking available on the next few weeks. We ask our able-bodied members to leave the spaces closer to the door for those that need them most. If you wish to make a donation towards this project you may do so by check in the church office or online. (donations made before June 5 will be tax exempt). Visit our website or facebook page to follow the progress of the construction.
