Gospel meditation:

A parable is an interesting literary form that throws together or compares familiar events or items, while also providing a spiritual teaching. The parable of the grain and the weeds involves a concern about non-believers who are part of the early community of followers of Jesus. The disciples are restrained from removing them. How quick are we to try to root out someone we perceive as less perfect or less desirable than ourselves? Do we make room for God's greatness and counterintuitive ways?

We would like to offer our most sincere THANK YOU to adult volunteers and youth leaders and donors that made our 2017 VBS a success!

This year the little campers learned about Mary's apparitions in Lourdes, France; Fatima, Portugal; Mexico City, Mexico; Knock, Ireland; and Mount Carmel, England. We couldn't have done it without you!
