Catholic Social Teaching Corner:

-This Sunday we hear the equation that love of God equals love of neighbor. Pope Benedict XVI says this in his encyclical God is Love: "Anyone who needs me and whom I can help is my neighbor. The concept of 'neighbor' is now universalized, yet it remains concrete. Despite being extended to all mankind, it is not reduced to a generic, abstract and undemanding expression of love, but calls for my own practical commitment here and now ... Love of God and love of neighbor have become one: in the least of the brethren we find Jesus himself, and in Jesus we find God." (#15) Who is the neighbor we are called to love right now? How will we show concrete love for them?
