Catholic Social Teaching Corner:

-This Sunday we hear Jesus first proclaim the Good News that the kingdom of God is at hand. As he began this ministry, he called a community to accompany and assist him, but they needed to leave their old lives behind. As we grow in discipleship, what is it that we need to leave behind in order to follow Jesus more fully? Are there attitudes or actions that are not in keeping with the kingdom values of Jesus that we need to abandon? The world and our culture cling to prejudices, racism, individualism, materialism and consumerism. Whose ways are we following, the ways of Jesus or the ways of the world?
