-If you have ever wondered what a Catholic education can do for you and your family, give us a call. With three campuses serving children from 8 weeks of age through high school seniors, there is a place for everyone at St. Joseph Catholic School. St. Joseph boasts over 120 years of experience in offering rigorous academics, well-rounded fine arts, and a competitive athletics program. But what truly sets us apart is our commitment to uphold the truth of the Gospel and the teachings of the Catholic Church—a commitment that permeates the student's entire educational experience. We invite you to learn more. Check out our website and our promotional video at www.stjosephschoolbcs.org/about-sjcs, and give us a call at 979-822-6643 for the elementary campus, 979-822-6641 for the secondary campus, and 979-779-0861 for the Early Learning Center.

Catholic Social Teaching Corner:

- In reading from the Acts of the Apostles we hear about the early Christian community which, "was of one mind and heart", they "held everything in common;" and "there was no needy person among them." Does that describe our parishes or are we like the disciples hiding in fear in the upper room? Jesus speaks to us as he did to them, sending them out to bring peace, healing, justice mercy and love to a world in need of these virtues and in need of a community able to live them. What can we do to live more truly as that community of sharing and love?
