Catholic Social Teaching Corner:

On the threshold of the public life: the baptism; on the threshold of the Passover: the Transfiguration. Jesus' baptism proclaimed the mystery of the first regeneration, namely, our Baptism; the Transfiguration is the sacrament of the second regeneration: our own Resurrection. From now on we share in the Lord's Resurrection through the Spirit who acts in the sacraments of the Body of Christ. The Transfiguration not only gives us a foretaste of Christ's glorious coming, when he will change our lowly body to be like his glorious body, but also recalls that it is through many persecutions that we will enter the kingdom of God" (CCC, 556). Without the eyes of our heart focused on the light manifest through the Gospel, while we may physically rise, we could slumber in action. Christ helps us to rise and to not be afraid. The transformative power of Christ helps to steady us on the path to everlasting life, in spite of the challenging difficulties that may be encountered in relationships, work, and society.

Memorial Service for Ms. Verna Mills:

Verna May Mills, 89, returned to her heavenly home on July 28, 2017 after a valiant battle with an illness. Her devotion to her family and her firm belief in God supported her in this struggle and ultimately gave her peace. There will be a small service here at St. Francis Catholic Church on Saturday, August 12 at 3:30PM, Deacon Luis Doriocourt will officiate the service. The family gratefully declines flowers and donations, but prayers, condolences and memories are gladly accepted.
